Brier's Academic Enrichment Program

2010-2011 Tuition Information

Program Hours: 6:30 a.m. to 6:15 p.m.

The tuition for this program is based on a “(pre)pay-per-session” system. Families can simply estimate how many sessions they want to pre-purchase and then use the sessions as needed. Payment may be made to any program staff member (before or after school) or office staff (during school hours). All checks should be made payable to "Edmonds School District." Students are not permitted to attend the program unless pre-paid sessions have been purchased. One "session" is defined as a before school period (any amount of time from 6:30 am - 9:20 am), an after school period (any amount of time between 3:50 pm and 6:15 pm), or an early dismissal period (any amount of time between 12:20 pm and 3:50 pm).
