

Welcome to Brier's Bobcat Tracks!

Bobcat Tracks is an afterschool walking program designed to help your student(s) safely get home. We are providing two walking groups that assist your student(s) across some of the busy streets around Brier Elementary. Depending on your student(s) home location, walking group A or walking group B is determined based on location.

Walking group A walks north along 35th Ave W and continues up to 228th St SW. The students are safely crossed at 228th St SW and 32nd Ave W, and the group continues to the intersection of 228th St SW and Brier Road.

Walking group B walks straight out 232nd St SW to Brier Road crossing students along the way.

Our Brier Pledge* continues beyond the 3:50 bell. In order to provide all students with the utmost safety, our students have a responsibility to meet our school expectations during their walk home as well as the following expectations:

- Walk on provided sidewalks
- Be respectful of neighborhood yards and property
- Cross streets in designated crosswalks with supervision
- Create positive, kind conversation
- Maintain safety by keeping hands and feet to self

Failure to follow the expectations will result in consequences, which are:
